6:00 PM**

Greetings!

Welcome to this evening's performance of Musicollage. Musicollage is unlike any other musical performance you will experience. It is a fast-paced, dynamic music program featuring the combined talents of the Lakeside Junior High School Instrumental and Vocal Music Programs. Individual performances are highlighted and move from performance to performance without applause. It will be an aural experience that you will not soon forget. The Students prepared the music in their respective classes and will now put everything together.

We, the Directors would like to thank tonight's musicians — The Students! Their dedication, focus, and hard work was integral in the preparation for tonight's performance. Please make sure to show your appreciation for the Students' efforts this evening. They definitely do not hear it enough that their talents are appreciated. Let them know by congratulating them after the performance, in the halls of the school, in person, or via e-mail. They will appreciate it!

We especially thank our Lakeside Junior High School Administration, Faculty, and Staff for their continued support of our programs and for keeping the creative interests of the students prominent in our schools. We would not have achieved the excellence in music you will experience tonight without their support!

Also, thank you to the Music Boosters and Parents for their tireless and ever-present assistance. While the Students are the highlights of our programs, the Parents are the lifeblood, providing time, energy, and financial support at every turn. Their unyielding support is evident in their continued participation and interest in their child's music education career.

And lastly, we would like to thank all of you for joining us tonight. This event is a monumental work, continually evolving, and never the same idea. Thank you for being an audience member for this fantastic event and we look forward to having you join us at the many upcoming performances by our groups.

Thank you!

Mrs. Nelling, Mrs. Ryan, & Mr. Roth

As a reminder, please turn off all cell phones, pagers, and other electronic devices.

All crying/disruptive children, like all good intentions, should be carried out immediately.

PLEASE hold ALL applause until the very end of tonight's program!

Thank You For Supporting Music In Our Schools!

Lakeside Music Boosters

The Lakeside Music Boosters is an organization dedicated to the continued success of the AACs & Lakeside Music Programs. They, in cooperation with the AACs Board of Education, are responsible for a great deal of the equipment you see tonight and that is used by all of the Lakeside Music Programs. They give their time and energies tirelessly to insure that the Lakeside Music Program is the best it can be. Participation in the Lakeside Music Boosters is open to the public, with meetings on the second Monday each month at 6:00 PM in the LHS Instrumental Music Room. Our next meeting will be on Monday, April 17th. Thank you for your interest and continued support of **YOUR** Lakeside Music Program!

Concert Etiquette

These students have worked exceptionally hard in preparation for this evening's performance. The audience has come to enjoy the entertainment and inspiration of the ensemble featured. Please allow everyone the best possible atmosphere by observing the following "Guidelines of Concert Etiquette":

Thou Shall Not...

TALK – The first and greatest commandment. Stay home if you are not prepared to give your full attention to what is being performed, as well as to who is performing it.

ARRIVE LATE OR LEAVE EARLY – Most performances have scheduled times; try to abide by them. It is only appropriate to enter or exit the performance area between musical selections and during applause.

CAUSE OR ALLOW DISRUPTIONS – Small children who are crying or any child involved in other disruptive behavior should be removed from the performing area. "Crying/Disruptive babies, like all good intentions, should be carried out immediately!"

WEAR HATS – Wearing hats can and usually does affect the ability of people behind you to see as well as they could or should.

Thou Shall...

APPLAUD AT APPROPRIATE TIMES – For this performance, we are asking you to hold all applause until the very end of the concert, not after each performance. This may be a little daunting, but adds to the idea of constant music moving from ensemble to ensemble, without the interruption of applause.

REMAIN IN ATTENDANCE FOR THE ENTIRE PERFORMANCE – It is inappropriate to leave or expect your Child to leave after their portion of the performance has been completed. The educational benefit of a program is incomplete if it does not include listening as well as performing.

Thank you for being courteous in every way possible to the students who have worked so hard in preparation for this concert and to the members of the audience who have come to see, hear, and enjoy the performance.

Thank you for joining us tonight!

**Please be sure to let the performers know what a
FANTASTIC job they did this evening!**

**We look forward to having you attend one of our
future performances this year!**
